Pledge Campaign 2021

*We are **your church** and **your community**. Thank you for **your commitment!***

Because of the pandemic, our non-pledge sources of revenue are impacted and your continued financial support of our ministries is more urgent than ever. We ask you to please consider an increase for 2021.

In response to our church's call, and in gratitude for the community it provides to me, my/our pledge of support to our church's ministry and mission for the calendar year of 2021 is: \$ _____

Name: _____

Signature: _____ **Date:** _____

Please return this completed form to the church by November 30th OR you may fill out the online form at uccdarien.org OR you may email your pledge to CBlatney@uccdarien.org. Alternatively, you may choose to bring this to our Stewardship Celebration Service on Sunday, October 25th.
